The screenshot shows a window titled "Autodesk Mechanical Desktop 2009 Installation Wizard". The window has a blue title bar and a standard Windows window control set (minimize, maximize, close) in the top right corner. The main content area is divided into two sections. On the left, under the heading "Information", there is a bullet point: "The information you enter here is permanent, it is available in the About box under the help menu item within the product." On the right, under the heading "Product and User Information", there are four input fields: "Serial number*:" with a red underline and a dashed line below it, "First name:" with the text "Windows" entered, "Last name:" with the text "User" entered, and "Organization:" which is empty. At the bottom left, there are links for "Documentation" and "Support", each with a small square icon. At the bottom right, there are three buttons: "< Back", "Next >", and "Cancel". The Autodesk logo is visible in the top right corner of the window's content area.
